**Laurie Lee**

Living Organ Donor

TeaGschwenderTM is proud to partner with Transplant Team Illinois - 501c3Team Illinois is an organization that brings together transplant recipients, living donors, donor families, and their family and friends to promote awareness of the critical need for organ, eye, bone marrow and tissue donations to increase the number of potential donors on the state registry. Through participation in the Donate Life Transplant Games of America, we can show the world that transplantation saves and enhances the lives of recipients while commemorating those who selflessly gave the gift of life.
